

## NABNE FAQ

1. **NABNE** requires a letter from the Registrar's Office and all second year and graduating students' *letters will be sent automatically*. **If you are off track or repeating your basic science exams, you will need to request a letter to be sent**. No transcript request is needed.
2. To be eligible for basic science boards, you must have passed microbiology I & II, organs systems I-III, musculoskeletal anatomy I&II, pathology I-IV, biochemistry, and immunology.
3. **Graduating students** will need to **request a transcript** to go to **OBNE** or what ever state licensing board you will be practicing. Transcript Request Forms are found outside of the Office of the Registrar, on MOODLE, or on the NCNM website:  
[http://www.ncnm.edu/images/pdf/Transcript\\_Request\\_Jan2009.pdf](http://www.ncnm.edu/images/pdf/Transcript_Request_Jan2009.pdf)
4. **Graduating students** are responsible for sending a photocopy of their diploma to **OBNE**.
5. NABNE applications are available online ([http://www.nabne.org/nabne\\_page\\_19.php](http://www.nabne.org/nabne_page_19.php)) or outside of the Registrar's Office.
