

Petition to Deviate from Current Policy or Requirements

Name: _____

Date: _____

The reasons that petitions will be considered are listed below. Please choose one:

Family Emergency Academic Accommodation Documented Medical Accommodation
 Bereavement

New graduation date if applicable _____

Requested Action: _____

Please state the curriculum requirement/policy you wish to be exempt from:

Please write a brief statement below indicating why you feel your reason for being allowed to deviate from the formal institutional curriculum/or policy is of more value than the education curriculum/policy currently in place.

You may be required to provide a plan for your remaining courses and a new graduation date.

I understand that deviating from the published program may delay graduation.

Student signature and date:

Please submit this form to the Associate Dean Student Progress at **least three weeks** prior to the date you plan on deviating from the current policy/clinic requirements. Until you have been given written permission to deviate **you are still required to meet current policies/requirements**. Once a decision has been made you will receive written notification and will be expected to adhere to the decision. Each approved deviation will be assessed a \$50 fee.
